

NGA

Ninth Grade Academy

Student Handbook

2021-2022

Please note that the principal reserves the right to amend any provision in these guidelines which he/she deems to be in the best interest of the educational process. Any updates or changes to this handbook can be viewed on our website at www.pike.k12.ga.us.

Administrative Team

**Lindsay Busby
Principal**

**Craig McLendon
Assistant Principal**

**Tanté Colquitt
Counselor**

**Robin Kempson
Data Entry Clerk**

**In response to the guidance from
health agencies associated with COVID-19,
the schools will make modifications
to procedures and policies as necessary.
Those adjustments will be shared with students and
parents, but may not appear in this document due to
the changing guidelines.**

ALMA MATER

*All hail to thee! Pike County High,
The fairest school in all the land.
Our filial love to thee confess,
An ardent, youthful, faithful band.
Our hearts beat firm and strong for Thee
Our voices sing they praise
Thy sons and daughters pledge to Thee
Devotion all their days.*

*All praise to thee! Our Alma Mater,
We hail the truths that in the lie.
We thank thee for our friends so dear,
For lessons taught, for the hopes made clear.
We sing and lift Thy banners high
For truths and values shown us here,
Our lives will always be as symbols
Of Thee! Pike County High.*

Our Vision:

Creating schools that students love

Our Mission:

Developing creative problem-solvers
ready for college and career

Freedom lives in Choice and Opportunities.
We want all students to be free to live the life they choose, free from limitations and influence. We believe that true freedom begins in the mind with independent and well-reasoned thought. Our mission is to help each student learn and grow throughout their early lives to attain their intellectual independence, which will enable them to excel in whatever endeavor they choose.

Our Beliefs:

- All students can learn and grow academically, socially, and emotionally.
- All students benefit from a rigorous learning environment characterized by the transfer of knowledge and skills to novel experiences over standardized test preparation and rote skill acquisition.
- Engaging in meaningful learning promotes student agency, voice, and choice.
- Learning must be made visible.

School Colors: Red and Gray

School Mascot: Pirates

PREFACE

This handbook contains information that will clarify rules and regulations at Pike Ninth Grade Academy. The Principal retains the right to prescribe penalties for violations of guidelines not specifically stated here and to alter any assigned penalties as he/she sees fit. Furthermore, the principal reserves the right to amend any provision in these guidelines which he/she deems to be in the best interest of the educational process. Any additional updates or changes to this handbook can be viewed on our web site ninthgradeacademy.pike.k12.ga.us.

ACADEMICS

Honors

Academic excellence is recognized in a variety of ways. At the annual Academic Awards ceremony held each spring, NGA will award the following:

Top Pirate Award – Teacher choice for overall top performer

Momentum Award – Teacher choice for growth in academic or personal maturity

Compass Award– Teacher choice for student who encourages good citizenship

Outstanding Scholar – Students who maintain a 90% course average or 3.6 GPA through 1st semester.

Academic Dishonesty

Any attempt to obtain credit for work done by another is totally unacceptable at Ninth Grade Academy. This includes cheating on tests, copying work of others, copying word-for-word from books, magazines, encyclopedias, technology media, or other acts of plagiarism, (i.e. failing to cite proper documentation or authorship, using someone else's term paper, using electronic devices/internet/other people to translate foreign languages), or other similar activities. Such an infraction may result in discipline, and the student may be required to re-do the assignment.

Valedictorian and Salutatorian

Effective for Students Graduating with the Class of 2019 and Beyond

1. To be eligible for inclusion, a student must enroll in Pike County High School before the end of the first six weeks, fall semester of the student's junior year.
2. Class rankings for this purpose shall be computed at the end of the first semester of the senior year. The rankings shall be determined by using Grade Point Average (based on a 4.0 scale) of all courses taken in grades 9 through 12 in which high school credit is awarded.

3. Quality points are awarded for Advanced Placement Courses and all post-secondary courses from accredited institutions. A=5.0, B=4.0, C=3.0
4. For the purposes of this Administrative Rule:
 - a. The Student with a GPA greater than 4.0 and the highest combined math and verbal SAT score shall be the Valedictorian;
 - b. The Student with a GPA greater than 4.0 and the second highest combined math and verbal SAT score shall be the Salutatorian.
5. SAT scores shall be reported to Pike County High School no later than December 31 of the student's senior year.
6. Pursuant to OCGA 20-2-161.3, to be eligible for Val-Sal, a student must take at least one course on the campus of Pike County High School during their High School Career.

If students have the exact combined SAT Score, the highest total cumulative GPA percent, which is defined as the average of the student's numerical grades of courses taken for high school credit out to the fourth decimal place (97.3512), shall be the tie-breaker.

STATE GUIDELINES WILL BE FOLLOWED IN DETERMINING HOPE SCHOLARSHIP ELIGIBILITY.

STAR Student Program

In 1958, the Georgia Chamber of Commerce created the "Student-Teacher Achievement Recognition" program--known by its initials, STAR. Today the program is sponsored by PAGE. To qualify as a STAR Student, a student must be in the upper 10% or top 10 scholastically of his/her class at the end of the second semester of the junior year, be a legally enrolled senior (see note below), attend a public or private Georgia high school fully accredited by the Georgia Accrediting Commission, the Southern Association of Colleges and Schools, or meet all standards set by the Georgia Department of Education for Secondary Schools. NOTE: A dual enrollment student is eligible if the student can meet the criteria of the STAR Program. To determine a dual enrollment student's rank in the senior class, college and high school grades will be averaged together.

The student must take the College Board Scholastic Aptitude Test (national SAT) and the scores for each part must be at least equal to the latest available national average. At Pike County High School, the qualified student who receives the highest score on the SAT (national administration on one test date) will be the High School STAR Student if all other criteria are met. In the event of tying scores, both students will be STAR student. School System STAR students compete against other school systems' STAR for designation as the Congressional District STAR. Likewise, the Congressional STAR competes for designation as the State STAR. STAR Students select their STAR Teacher, who shares the recognition accorded the STAR Student.

ATHLETICS

Athletic Eligibility

Georgia High School Athletic Eligibility for students participating in athletic competition:

- 9th Graders: All incoming 9th grade students are eligible to participate first semester. (must pass 5 classes to be eligible second semester)
- 10th, 11th, 12th graders: must have passed 5 classes the semester prior to participation and earned the minimum number of credits going into each grade (10th=5, 11th=11, 12th=17).
- Any credit gained through credit recovery. Must be recovered within the first ten days of the semester.
- All Student Athletes must adhere to the Extra Curricular Code of Conduct.

NCAA Eligibility Requirements

NCAA Eligibility Center is the official Source for all NCAA Eligibility information. www.NCAA.org or 877-262-1492.

No Pass / No Play

In order to participate in competitive organizations such as athletics, fine arts/music productions, class offices and clubs, a student must have passed 5 courses during the previous semester and be on track for graduation. To be considered on track, a 2nd year student must have earned at least 5 units of credit, 3rd year students must have at least 11 units, and 4th year students must have a minimum of 17 units of credit. According to the State Board of Education, this applies to all extracurricular activities except VOCA-CVAE.

Athletic and Extracurricular Participation Code of Conduct

Interscholastic extracurricular programs are an integral component of the total educational program and a means of developing positive attitudes, knowledge, and skills. Pike County Schools encourages participation in a variety of extracurricular activities. Participation in extracurricular activities, including athletics, is a privilege and not a property right. The purpose of the Code of Conduct is to establish high expectations regarding behavior by establishing minimum and consistent consequences when violations occur.

Violations and Consequences

Students enrolled in Alternative Program = Ineligible to participate in extracurricular activities

Hazing:

1st offense =Suspension from any contest / activity for 25% of the season

2nd offense =Dismissed from team / activity, no participation in extracurricular activities for the remainder of the current semester and the following semester.

ISS assignments:

1 day = Notify in season coaches / activity sponsors

2 days = Notify in season coaches / activity sponsors, no participation until completion of ISS

3 days = Notify in season coaches / activity sponsors, no participation until completion of ISS, held out of the first half of the next competition/activity.

Out-Of-School Suspension:

1st offense = One contest / activity suspension, not including any missed competition during OSS.

2nd offense = Suspension equal to 25% of the season or removal from the activity based on remaining contests.

3rd offense = Dismissed from team / activity, no participation in extracurricular activities for the remainder of the current semester and the following semester.

Removal from a GHSA Competition:

1st Removal = game suspensions & sportsmanship course as outlined in the GHSA constitution.

2nd Removal = removal from the team and no athletic participation for the remainder of the season.

ATTENDANCE POLICIES AND PROCEDURES

Full Day Attendance

Students are expected to be in attendance for the full school day.

Students who check in late or check out early should submit a written note from their parent/guardian explaining their absence. Disciplinary action may be taken against students not in attendance for the full school day for reasons that cannot be excused. **A full school day is defined as three consecutive periods and part of another period.**

Parents will be notified when a student has missed 4 days of school. The student will be referred to the counselor after missing 7 days of school. After a student misses 10 days of school, a CHINS referral is made (Child in Need of Services). If a student does not follow the CHINS recommendations, they will not be allowed to attend prom.

Excused Absences

The State of Georgia has established guidelines for excused absences from classes. The following situations, when documented by a proper note, may be excused as reasons for absence, check-outs and check-ins:

- verified illness
- funerals - death in family
- court appearance-documented
- medical appointments - documented
- religious reasons - with prior approval
- official Page in the Legislature
- military leave time

After an absence, a student should give his/her excuse to the attendance office. The student has three days to bring the note, or the absence will be counted unexcused. The Principal must approve any exceptions to this policy. Only **five (5)** parent notes **per school year** will be considered excused. Any and all others must have other documentation.

Check-Out Procedures

A student who needs to leave campus during the school day should bring a note to the Main Office. The note must include the student's name, reason/time for dismissal, and must be signed by a parent/guardian with a phone number for verification. The student will not be allowed to leave campus unless the note is verified. All check outs will occur in the Main Office. Proper ID is required.

1. Once checked out by a parent/guardian, the student must leave campus immediately
2. Checking out or in does not excuse student from turning in assignments due that day. All assignments are due on the assigned day without fail and without excuse.
3. Students involved in extracurricular activities must be present in order to participate in a school activity in the afternoon or evening. The Principal must approve any exception to this policy.
4. Georgia law does not permit an open campus; therefore, **checking out for lunch is not permitted.**
5. Students who are ill should go to the Clinic prior to check out.

Check-In/Tardiness to School

Students should arrive on time daily. Students arriving after Tardy Bell will report to the Main Office to check in and receive an admission slip to class. Failure to check in at the Main Office is considered to be a class cut. Records are kept for tardiness. Tardiness that is considered excused includes illness, doctor's appointment, dental appointment, late bus, court appearance, or funeral.

1. Students will be responsible for bringing a note for each excused check-in at the time of check-in.
2. Each semester, students arriving LATE TO SCHOOL (unexcused) will be dealt with as follows:
 - 4th Tardy – Parent Call
 - 7th Tardy – Saturday School / ISS
 - 10th Tardy – Saturday School / ISS / CHINS referral

Parental Responsibility When Student Is Absent From School

When a student is going to be absent from school, the parent/legal guardian should contact the school by telephone. The number for the NGA Main Office 770-567-2960. Please send in a written excuse and/or other documentation of the absence upon the student's return to school.

Prearranged Absences

Prearranged absences are applicable only to trips that are considered educational in nature and are limited to one request per semester. The Prearranged Absence Forms will be available in the Main Office. This request must describe the educational nature of the absence(s). The Principal's decision is final on all prearranged absence requests.

Make Up Assignments

Students have 3 school days after returning from an **excused absence** to arrange with the teacher to make up all work missed. **It is the student's responsibility to initiate contact with teachers to schedule make-up work.** Work may be requested by calling the Main Office before 11:00 a.m. on the day of the excused absence and should be picked up the day of the request by 4:00 p.m.

Make Up Tests

Make-up tests will be administered for excused absences as follows:

1. A student, who is present on the day a test is announced, but absent on the day it is given, will take the test on the first day of his/her return to school unless other arrangements are made with the teacher prior to the absence.
2. It is the students' responsibility to initiate contact with the teacher to schedule make up tests.

BUS TRANSPORTATION

If students use bus transportation, they must ride their school assigned bus. If a parent would like to request that a student ride home on another bus, that request should be submitted in writing to the Main Office for administrative approval by the start of the school day. Upon verification of the request, the student should pick up the signed, verified note at the end of the day and present it to the driver of the bus upon entry. **If prior approval process is not followed students must ride their normal bus or report to the Main Office for parent pick up.** In case of emergency, contact the transportation department at 770-567-8992. Glass and balloons are not allowed on buses at any time.

CLUBS AND ORGANIZATIONS

Ninth grade students may participate in PCHS Clubs and organizations. A complete and periodically updated list of the clubs and organizations sponsored at PCHS is available on our website at <https://highschool.pike.k12.ga.us>. Parents and students are encouraged to go to the website for more information. If you do not want your child to participate in a certain club or activity, send your request by email to the school principal Lindsay Busby at BusbyL@pike.k12.ga.us.

DISCIPLINE GUIDELINES/STUDENT CONDUCT

The administration, faculty and staff of Ninth Grade Academy wish to establish a safe, comfortable atmosphere which will assure that each student can learn and grow as an individual. Each student is expected to control his/her behavior and conduct himself/herself in a mature manner. It is important for students to understand and learn to deal with the consequences of their behavior choices. No student may interfere with the educational process and impede the work of the teachers or other students. Disruptive behavior in any form will not be tolerated by the Ninth Grade Academy educational community. Disciplinary consequences will be administered in a fair and equitable manner, yet progressive in nature as outlined by the Pike County Board of Education Code of Conduct. Please refer to the Code for a more comprehensive description of the expectations and processes.

DISCIPLINE - POINTS OF EMPHASIS & UPDATES

Please refer to the Code of Conduct Parent Manual for a more complete explanation of the disciplinary process. Generally, students may not exhibit behaviors that are disruptive to the teaching and learning environment of this school.

1. Students may not place any posters, maps, announcements or any articles of information or decorations on walls, lockers, or doors, inside or outside the building, without prior permission from the Principal and Sponsor of the activity.
2. A student is not allowed to participate in any school-sponsored extra-curricular activity, i.e., Jr/Sr Prom, athletic events, Homecoming, etc., in the duration period of an In-School Suspension (ISS) or Out-of-school Suspension(OSS) discipline. (Example: A football game is Saturday, Oct. 15, and ISS discipline is scheduled for Oct. 14, 17, and 18. The student is ineligible to participate in the school activity until after 3:20 p.m. on Oct. 18). OSS discipline carries over to the next school day. (Example: if a student is assigned OSS for Oct. 14, 17, 18, then he/she could not participate until Oct. 19).
3. School/organizations or individuals must have the approval of the Principal prior to the sale of any items on school property or at school activities.
4. As the end of the school year approaches, the ISS room may be closed, meaning that OSS will be utilized instead. Students that miss exams must make them up during teacher post-planning.
5. Vandalism and Pranks. All citizens, especially the NGA student body, should demonstrate respect for school system buildings, property, and other resources provided and owned by taxpayers. Students that participate in "pranks" involving damage to any school property or causing a substantial disruption to the school at any time for any reason

will receive severe consequences, including out-of-school suspension, criminal trespass prosecution, and possible referral to a disciplinary tribunal hearing. Students found on school property after hours and without adult supervision are subject to be charged with criminal trespass.

6. Pike County School Properties are smoke/tobacco free environments. In addition to smoke/tobacco products, the following items are also included: Electronic Cigarettes (e-cigs.), Personal Vaporizer (PV), Electronic Nicotine Delivery Systems (ENDS), Liquid solutions (e-liquid), as well as any other items used to simulate smoking or tobacco use are not allowed on campus. This includes, but is not limited to, the above listed products as well as any supplies needed for operation of such a product.
7. Students should not bring these items to school for any reason: hot sauce, pepper or other spice; lasers; glitter; toys; snap-pops.
8. Upon arrival on campus, students should immediately enter the building.

DRESS CODE

Students are expected to dress/be groomed to reflect neatness, cleanliness, and good taste in preparation for post-secondary life. Student dress should not distract or cause disruption in the educational program or orderly operation of the school. The principal reserves the right to amend any provision deemed to be in the best interest of the student or the educational process. The following outlines inappropriate dress:

1. Shirts: While standing, sitting, or bending shirts that show cleavage, midriff, or undergarments. Strapless, off-the-shoulder, halter, racerback, half shirts, or spaghetti strap shirts are not acceptable.
2. Bottoms: While standing, shorts, dresses, or skirts shorter than mid-thigh or exposed undergarments.
3. Any dresses/tunics worn with leggings shorter than mid-thigh.
4. Clothing that defines a student's genital area.
5. Exposed undergarments (meaning any clothing worn underneath normal outer clothing)
6. Clothing containing inappropriate language, depiction of drugs, tobacco, alcohol, or sex; suggestive lettering or pictures, violence, signs, symbols, or language which have the effect of disrupting the school's atmosphere.
7. Transparent/Mesh clothing without allowable top/bottom clothing.
8. Head coverings that obscure the face or ears.
9. Bandannas, blankets, pajamas and/or house shoes.

Every student must wear appropriate undergarments and shoes.

ELECTRONIC DEVICES

In an effort to provide our students with 21st Century Skills, we must incorporate new technologies to provide and enhance classroom instruction and a student's educational experience. Therefore, students may Bring Your Own Devices (BYOD) at Ninth Grade Academy. At our school, teachers have embedded technology in their instructional plans and will encourage students to bring their own technology devices or utilize technology provided by the school. No student will be left out of instructional activities.

Definition of "Devices"

For purposes of BYOD, "Devices" are privately owned wireless and/or portable electronic hand held equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies, portable Internet devices, hand held entertainment systems or portable information technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

Internet

Only the Internet gateway provided by the school may be accessed while on campus. Personal Internet connective devices, such as, but not limited to, cell phones /cell network adapters (i.e. 3g, 4g, hot spots) are not permitted to be used to access outside Internet sources at any time.

Security and Damages

Responsibility to keep the device secure rests with the individual owner. Ninth Grade Academy, its staff, or employees, are not liable for any device lost, stolen or damaged on campus. If a device is lost, stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. It is recommended that skins (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged.

BYOD Student Agreement

The use of technology devices to access educational material is not a necessity or a right, but a privilege. A student does not have the right to use his or her laptop, cellphone or other electronic device while at school without the approval of school personnel. When abused, privileges will be taken away. When respected, they will benefit the learning environment as a whole. Students and parents/guardians participating in BYOD must adhere to the Student Code of Conduct, as well as all Board policies, particularly Internet Acceptable Use (Policy IFBG, IFBG –R1). Furthermore, the student must agree to the following conditions:

- The student takes full responsibility for his or her technology device. The school is not responsible for the security of student-owned technology. Additionally, students are responsible for management, troubleshooting, and technical support of their personal devices. The

school/district is not responsible for technical support of or repairs to personal devices.

- The technology must be in silent mode while on school campuses and while riding school buses.
- The technology may not be used to cheat on assignments or tests, or for non-instructional purposes.
- The student understands the technology may not be used to record, transmit, or post photographic images or video of a person, or persons on campus during school activities and/or hours unless authorized by the teacher or administration.
- The student complies with a teacher's request to shut down the computer or close the screen.
- The student acknowledges that the school's network filters will be applied to one's connection to the Internet and will not attempt to bypass them
- The student understands that bringing on the school premises or infecting the network with a Virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information is in violation of the AUP policy and will result in disciplinary actions
- The student realizes that processing or accessing information on school property related to "hacking", altering, or bypassing network security policies is in violation of the AUP policy and will result in disciplinary actions.
- The school district has the right to collect and examine any device that is suspected of causing problems or was the source of an attack or virus infection.
- The student realizes that printing from personal technology devices will not be possible at school.
- Students may not use school-owned computers/monitors or other equipment to charge their own devices. Damages caused by students ignoring this statement will be responsible for the replacement/repair costs of the equipment.
- The teacher will decide if, when, and how BYOD will be used in the classroom. When devices are allowed to be in use for instructional purposes, the teacher will post the appropriate sign in the classroom to indicate that it is a device-friendly day. Otherwise, electronic devices should be silenced and out of sight during bell-to-bell instruction.

VIOLATIONS OF ELECTRONIC DEVICE POLICY

Due to concern about the research that indicates that the use of electronic devices during classroom instruction for non-academic purposes has negative outcomes in student engagement, performance on assessments, and grade point average.

Students have ample time before school, between classes, at lunch, and after school to use their electronic devices; therefore, it is expected that class time, bell to bell, is reserved for educational purposes.

In an effort to maximize student learning, we are following these steps for dealing with electronic devices during class time:

1. Give all students warnings about the use of cell phones in their classrooms on the first day of school, including the expectations of our Bring Your Own Device (BYOD) policy.
2. Beginning on the second day of school, any unauthorized use of electronic devices will result in the offending student being referred to In-School Suspension for one day. Teachers are expected to follow this policy with fairness of implementation and consistency of practice within their classrooms.
3. Use of electronic devices in ISS will result in automatic 2 days OSS (all remaining ISS time will be served).

ELIGIBILITY TO HOLD OFFICE/HOMECOMING

To be nominated for a school office, a student must have an overall average of C or greater in academics and conduct for the current year. After assuming office, the student must maintain an overall average of C or greater. All new freshmen are eligible.

EMERGENCY/DEMOGRAPHIC INFORMATION FORMS

It is extremely important that parents regularly update emergency information for the school. In the event of an emergency, quick action to contact a parent is essential. Parental contact on the school's automatic calling system requires up to date contact information. Please make sure that your parent complies with this request.

FIELD TRIPS

Students who are failing more than one course will not be permitted to attend field trips until their grades are improved.

FINAL EXAMS

NGA will post its final exam schedule on the school website or you may call the counseling office to inquire. Final exams count 20% of the semester grade and are given in each class at the end of each semester. Students who present evidence of a lawful absence during an exam will be permitted to make up the exam, possibly on a professional learning day. All make-ups must be completed within 3 days unless other arrangements are made with the Principal. No student may take exams early (before the first day of testing).

Attendance during Exams

Final exams are an integral part of course requirements for students in the secondary school. All students will be required to take final exams for courses in which they are enrolled at the time those exams are

scheduled. Only those students who present evidence of a lawful absence will be permitted to make up an exam. All make-up exams must be approved by the administration.

Check In/Out during Exams

There will be no check-ins or check-outs during the scheduled final exam period. Students may check in/out only at designated times. A parent may personally come and check the student out of school **at the end of the designated exam time**. Rooms will not be interrupted until the end of testing. **Students are not allowed to check in or out for lunch**. Phone calls for checkouts will not be accepted during this time. Please send a note with your student granting permission to leave school and a phone number where parents can be reached for verification.

Exam Exemptions

Because 9th grade is the first year of high school, we believe it is important for students with classes at NGA to take final exams for those classes. A student with classes at PCHS, GRCCA, and/or ROTC at LCHS will adhere to the policy for that school for those classes.

GRADES

Parents/Guardians and students are encouraged to go to www.pike.k12.ga.us to access Power School (Parent Portal) to keep track of student progress, check attendance, and/or email the teacher throughout the semester.

Students should become familiar with the grading systems of each of their teachers. Students will receive grades on a semester basis as follows:

1. Mid-Term Progress Reports are issued at 9 weeks each semester.
2. Report Cards are generated at the end of each semester - final numerical grade assigned and permanently recorded.

Grade Progressions

<u>To pass from:</u>	<u>Requires:</u>
9th to 10th	5 units
10th to 11th	11 units
11th to 12th	18 units

Twenty-four (24) units are required to graduate in 2020 and beyond.

Grading Scale

A=	100-90
B=	89-80
C=	79-70
F=	below 70

CLASS OF 2020 AND BEYOND GRADUATION REQUIREMENTS

All students will be required to complete a total of 24 units for graduation. All students will be required to take:

- 4 units each of English, Science, and Math

- 3 units of Social Studies

- 1 unit of health + personal fitness

- At least 3 units of

- Career/Technical/Agricultural **and/or**

- Foreign Language - 2 years of the same language is required for college bound students **and /or**

- Fine arts courses

- At least 5 additional electives

- ½ unit in financial literacy

Additional courses strongly recommended for college-bound students include pre-calculus, one additional laboratory science course, a third course in foreign language, a fine arts (art, dance, drama, music, chorus) course, and computer technology.

GUIDANCE

The Counselor is available to students to help plan an individual course of study, to help resolve conflicts or personal problems, and to explore career opportunities and choices. A student needing to see a counselor should stop by the counselor's office and sign up for an appointment, then go to class and return when called to the counseling office. Students may not miss class in order to wait to see a counselor but may visit during lunch.

Schedule Changes

Each year students complete course requests for the following school term. Students have until the beginning of May to submit course change requests. As of the last day of school, no courses can be changed. At Open House in mid-August, students will receive a printout of their schedules, period by period. Changes should not be requested at this time because the master schedule has been completed based on student requests. Students have been evenly distributed across classes by period, meeting class size restrictions and maximizing state funding of classes. If students are having difficulty with a course or an instructor, the parent should set up a parent-teacher conference. Problems of this nature do not warrant a class/teacher change. Parents, teachers, and students can discuss strategies for the student to succeed in class. For information about the process to drop Honors/Gifted and AP classes at the beginning of the school year, please read the Appeals Process requirements.

Appeals Process

Requests for removal from a class will only be honored in cases of extreme academic hardship in which a student, despite his/her best efforts, is in jeopardy of failing the course.

1. Parents and students must schedule a conference with the subject area teacher, counselor, and principal. This conference will serve to evaluate the student's current performance and placement. Recommendations for academic assistance will be made.
2. Students who continue to experience academic difficulty (after implementation of assistance strategies) may appeal for possible removal from the course.

Appeal procedures are as follows:

- Student and parent must make an appointment with the subject area teacher, counselor, and principal. At the appointment, the student should submit a letter signed by the parent stating specific reasons for removal from the course. The letter should also state what the student has done for additional academic support.
- The student should also submit a current printout of his/her cumulative grade and absences from the course (provided by the teacher).
- The principal will make a decision about the schedule change based upon the student's ability and efforts.
- Removal from an Honors, Gifted, or Advanced Placement (AP) will be determined by space availability in a newly-scheduled course. Changing the schedule can result in a change in other classes in a student's schedule. Student and parent will sign a request form for removal from Honors, Gifted, and AP courses.

This process will be available for the first four (4) weeks of school and at the completion of the semester.

HALL PASSES

A student in the hall or on any part of the campus during class time must have a pass. Permission to leave a classroom is at the teacher's discretion. Overuse of this privilege may result in disciplinary action. ***Hall Passes are located in the student handbook.*** Replacement handbooks are available for \$5 in the Main Office.

HEALTH CARE CLINIC

Our School has a Student Health Care Clinic located in the Main Office. The clinic is furnished with an area to care for sick or injured students and faculty. The facility is furnished with a private bathroom and with a cot to accommodate someone who is ill and waiting for a parent. The medicines are kept in a locked cabinet at all times. The hours of operation are from 7:45 a.m. until 3:35 p.m. A child should not be sent to school with diarrhea, vomiting, and/or elevated temperatures. Your child should be free of fever for 24 hours without any type of fever reducing medication before returning to school.

HEAD LICE

Students found to be infected with head lice or nits at school will be sent home by the school nurse or by an administrator. Parents are expected to treat the child's hair with an appropriate solution and to remove the dead lice and/or nits. A parent or guardian must accompany the child to school and allow the school nurse to re-examine the student to verify an absence of nits. Two weeks after a child's return to school, the nurse will do a routine reexamination to ensure that the student continues to be free of lice and/or nits.

LOCKERS

NGA is equipped with lockers with built-in combination locks. Students will be able to rent a locker for a fee of \$10. Guidelines for use of school lockers are as follows:

1. Each student should use only one locker. Failure to do so may result in lost books for which students will have to pay.
2. Students may not display any posters, pictures, or other articles on the walls of lockers by any adhesive means including tape and glue.
3. Marking or writing on/in lockers is prohibited.
4. The school is not responsible for losses of books, technology devices, gym clothes, etc., from lockers whether they are locked or not locked. Students are expected to maintain the confidentiality of the combination. Students who steal, use without permission, or give out information as to another student's combination will risk losing his/her locker privilege and face disciplinary consequences.
4. The student should contact the Main Office with locker issues.
5. Lockers that are "pegged" or adjusted so as they do not lock will be considered destruction of school property or vandalism.

LOST AND FOUND

Lost or found items should be reported/brought to the Main Office. Students should not bring large sums of money or valuables to school. The school cannot assume responsibility for personal loss.

MEDIA CENTER

The PCHS Media Center offers both print and electronic resources to support and enrich the curriculum. NGA students will have access to the Media Center as needed. The Media Center also issues textbooks to students. Students must care for and keep up with their textbook until it is returned to their teacher at the end of the semester/year. Fees will be assessed for damages for lost textbooks. All fees and fines must be paid.

Computers and Network Resources Acceptable Use Policy:

Purpose:

Pike County Board of Education provides Network and Internet access for the purpose of promoting the use of telecommunication and networking technology as a tool to enhance classroom teaching and learning. All employees and students have access to all network resources, which includes the Internet. Parents may specifically request that their child(ren) not be provided Internet access by notifying the school and Pike County BOE in writing. All use of the network must be consistent with this purpose and be in accordance with this policy in an appropriate and responsible manner. Our goal in providing this service to teachers and students is to promote educational excellence by facilitating resource sharing, innovation, and communication. Pike County Board of Education encourages the use of these media and associated services as a tool to enhance classroom teaching and learning. However, all computer users in Pike County Schools should remember that electronic media and services provided by Pike County BOE are property of the BOE and their purpose is to facilitate and support teaching and learning. All computer users have the responsibility to use these resources in a professional, ethical, and lawful manner.

To ensure that all computer users are responsible, the following guidelines have been established for using e-mail, the Internet, personal communication devices, and network resources. No policy can lay down rules to cover every possible situation. Instead, it is designed to express Pike County School's philosophy and set forth general principles when using electronic media and services. All students and employees are required to sign an acknowledgement and acceptance of the Pike County Schools AUP before being allowed access to computers and the network within Pike County Schools.

Software:

To prevent computer viruses from being transmitted through the company's computer system, unauthorized downloading of any unauthorized software is strictly prohibited. Only software registered through Pike County Schools may be downloaded. Software Installation Packages from outside the school must be scanned for viruses by an authorized staff member prior to their use on a system computer or the network. **See computers and network Resources AUP policy in the Pike County School System Code of Conduct.*

Obligations:

Students who fail to return books and other instructional materials for a class will be responsible for payment of materials not returned. Notices are also sent out for unpaid fees and financial obligations incurred during school (i.e. library fines, rental fees, etc.). Students are responsible for their books, money, valuables, etc., while they are at school. A student should not leave anything of value unattended during the school day. Teachers and staff will not assume responsibility for lost/stolen merchandise on our campus; lockers are made available for rent.

OFF-LIMIT AREAS DURING LUNCH

The areas **where students may be during lunchtime are the cafeteria and the restrooms available for the assigned lunch period.** Students are not allowed to eat in the hallways. Students will not "wait" in the main office for deliveries. Students found in off-limits area will be disciplined. Students with a hall pass during a lunch period that is not their own should report to the location specified on the pass without entering the cafeteria.

MEDICINES

Medications should be given at home before or after school hours. However, in the event that medications including prescription and over-the-counter medications must be given during school hours an **AUTHORIZATION TO GIVE MEDICATION AT SCHOOL FORM** must be completed by a parent/guardian and kept in the Nurse's Clinic with the medication. All medications must be in the original labeled container. Your Pharmacist will provide duplicate containers upon request. A Parent/Guardian must take the medication to the Main Office/Nurse's Clinic and provide specific instructions before medications can be dispensed at school. If a parent is unable to bring medication to school, the student may bring the signed form and medication to the Main Office/Nurse's Clinic before homeroom for verification by the nurse. Before any student is allowed to carry these items on to school property such as inhalers for asthma, EpiPens for allergic reactions, or glucagons for diabetes an **AUTHORIZATION TO GIVE MEDICATION AT SCHOOL FORM** must be completed by a parent/guardian and submitted to the school. All Students not in accordance with the guidelines set by BOE on distribution of medicines shall be subject to discipline for more details see Student Handbook/Code of Conduct. Students should pick up any unused medications on the last day of school. Proper disposal of unclaimed medication will be provided at the end of each school year.

Pregnant Students

Pregnant students have the same privileges and carry the same responsibilities as other students with the following provisions:

1. The student shall notify the school nurse and principal immediately upon her learning of her pregnancy.
2. Pregnant students shall be permitted to continue in school in all instances when continued attendance has the written approval of the expectant mother's physician, in which the physician's statement shall specify that in his professional opinion the said student is able to attend school without any danger or detriment to her personally or the unborn child.
3. The student shall be required to present an updated statement from her doctor to the school nurse on a monthly basis during pregnancy stating that the student is still able to attend school without any danger or detriment to the student or the unborn child.
4. A pregnant student attending school will abide the same rules and regulations

as any other student.

5. When, in the professional opinion of the student's physician, as evidenced by his written statement on file with the school system that the physical condition of the student is such that she should not continue in school, then the school shall counsel the student of the available options with regard to continuing her education during pregnancy. Said student shall be allowed to reenter school again upon written certification by her physician that her condition has improved to the point where regular school attendance will not present a danger or detriment either to the student or the unborn child.

PARKING AND DRIVING

If a student attends Ninth grade Academy and obtains a valid Driver's License, please contact the Main Office for information on driving and parking at school.

Driver's License Certification – Important information to know **before** you go to the DMV for a Driver's Permit or License:

In accordance with state law, **all applicants under the age of 18 must provide a Certificate of Attendance (DDS-1) in order to receive their driver's permit/license.** A student should request this form in the front office and pay a \$2.00 processing fee. **Students should expect to wait 48 hours for confirmation. NGA will be unable to honor "on-demand" requests.** Notarized certificates expire in thirty (30) days. An additional \$2.00 processing fee is applicable for re-processing forms. Students with birth dates falling over long holidays must request a certificate in advance.

In addition, all teenagers under the age of 18 must complete and pass the Georgia Alcohol and Drug Awareness Program (ADAP) in order to receive their Class D driver's license. Students take the ADAP course during their Health class. Students who have taken and passed this course at NGA will receive a copy of their ADAP Certificate upon completion of the course. Students needing a replacement copy will allow the front office staff **48 hours** to process this request and pay a \$2.00 cost for a replacement certificate. Students who have failed the test or have missed the opportunity to take the test during their Health class will need to contact the Main Office.

PHOTOCOPIES

Student may request printouts of educational documents and/or have copies made if needed. Students should report to NGA Main Office for photocopy requests. The cost for black and white printing is .05 cents per page and .50 cents per page for color printing. Photocopies can be made for .10 cents per copy.

PHOTO DISCLAIMER

Students are required to have a picture made by our school photographer on picture/retake day. These photos are used for identification purposes and for the school produced yearbook. Candid photos taken by yearbook staff, newspaper photographers or others may be published on the Pike County or school website, Pike County or school social media sites, Pen and Sword newspaper or in the PCHS Cutlass yearbook.

See photograph permission form at the end of this handbook.

PROM INFORMATION

Students planning to attend the prom should be aware of the following:

1. Prom fees are nonrefundable and not transferable from person to person.
2. All school rules regarding conduct and discipline will be in effect. Be sure that "dates" who are not Pike County students understand they will be subject to all school rules and policies.
3. Students serving ISS or OSS assignments carrying over from Friday to Monday will not be allowed to attend the Prom.
4. Prom is intended for seniors, juniors, and their dates only. Any student participating in any buying, selling, or exchanging prom admission after the initial purchase, or any type of deception to enable an ineligible student to enter the Prom, will be subject to disciplinary action. This may include exclusion from the Prom.
5. Students who anticipate inviting a guest that is not a student at Pike County High School should pick up an application in the front office. PCHS Administration reserves the right to deny admission to prom for non-students at its discretion.
6. After a student misses 10 days of school, a CHINS referral is made (Child in Need of Services). If a student does not follow the CHINS recommendations, they will not be allowed to attend prom.

RESTROOM USE

Students will have ample opportunity to use the restroom during the school day. Instructional time should not be used unless it is an emergency. Students who leave the room during instructional time must have their handbook hall pass, use only the **nearest** restroom available for students, and return to class directly. Students not adhering to this expectation will receive discipline.

RETURNED CHECKS

Occasionally, checks collected by the school are returned. NGA will charge a \$25.00 fee for returned checks. In addition, the amount of the check must be paid in CASH to NGA. NGA may refer large and/or extended unpaid obligations to the Magistrate Court for collection. NGA reserves the right to refuse acceptance of checks for payment from those who have had returned checks in the past. *Checks cannot be accepted the last two weeks of school for obligations or payments of any kind.*

SCHOOL DAY PROCEDURES

Arrival: School doors open at 7:30 a.m. Students arriving before 7:50 a.m. will report immediately to the Cafeteria (if eating breakfast) or the Collab room. Students enter the Main Entrance unless they ride a bus. All students must be in 1st period before the tardy bell at 8:00 a.m. or report to the Main Office for a tardy pass to enter class.

End of School Day: Unless students are under the direct supervision of a teacher who is aware of that charge, a student is expected to leave campus within 15 minutes of the end of school. The building will be secured after this time. Students waiting for transportation are to remain near the Main Office entrance or outside on the front porch. NGA does not provide after school supervision for students waiting for a ride.

Traffic in Hallways: The hallways of a school are the highways of a school. Students are not to run, loiter, or impede traffic flow. Students are to have a hall pass in their possession anytime they are in the hall with the exception of class change. Students must follow the flow of traffic and help maintain a safe environment.

SCHOOL DETECTION AND DETERRENCE PROGRAM

This program reduces the presence of drugs, alcoholic beverages, abused medications, and weapons on school grounds. Random and unannounced visits, using highly trained detection canines, are escorted/observed by school personnel. Normal inspections include: lockers, gym areas, common areas, vehicles, vacated classrooms, and perimeters of school property.

SCHOOL RESOURCE OFFICER

Due to the foresight of the Pike County BOE and the Pike County Sheriff's Department, we have a School Resource Officer (SRO) who helps with traffic logistics planning and operation, works with students and faculty in promoting and implementing safe driving programs, serves as guest speaker where his/her expertise is beneficial, and is available for students to discuss problems and questions concerning the law. The SRO has the authority to interview students that may be witnesses to an incident without first contacting a parent/guardian. Students that are suspects in illegal activities may be interviewed by the SRO or any other member of law enforcement with a school administrator present. Parent/Guardian will be contacted prior to or during the interview at the student's request. Otherwise, a courtesy call will be made following the interview by the SRO or Administrator.

STANDARDIZED TESTING

Standard tests administered are:

- Georgia Milestones: ELA -11th, Algebra, Biology, U.S. History.

- PSAT (required in 10th grade),
- Optional: SAT, ACT, Accuplacer, and ASVAB
- Optional: Advanced Placement (AP) tests. Passing scores may earn credit at post-secondary schools.

Required tests are given free of charge; optional tests are taken at the student's expense. CTAE EOPA will be administered during the school year. See your counselor for test dates, deadlines, and testing locations.

STUDENT SAFETY

Students are expected to treat all people – other students, staff, and visitors, as well as themselves – with respect at all times. We have an expectation that we will “have each other’s backs.” Any person who means to harm or humiliate one of our own will be dealt with swiftly. Students should report acts of aggression, hatefulness, or bullying to an adult immediately. There are several avenues for these reports to be made:

1. Verbally tell the first staff member or administrator that you see about the incident you have witnessed or heard about.
2. Visit counseling office and do a written report.
3. Utilize the P3 Campus app/website to make an anonymous report. P3 Campus is an anonymous tip-reporting solution designed specifically for the educational community. P3 Campus is a vital tool in keeping our school and students safe. School community members can report a wide range of concerns, from mental health issues to threats of violence through our P3 Campus mobile app or through any web browser at P3Campus.com. This technology gives administrators and SROs an intuitive interface to manage and share tips in real time.
4. Students should also report to a staff member any person that they see who looks suspicious. As a community, we don't want to live in fear, but we do encourage all members to trust their gut feelings and instincts and report when something is concerning. All doors are closed and locked during the school day (except the Main Entrance), and students should NEVER open a locked door for anyone. Our staff reviews our crisis plan regularly, and we conduct drills, sometimes involving students, with regularity.

STUDY SKILLS/RtI

This class period will serve as an opportunity for enrichment, acceleration, or remediation for students.

TARDIES TO CLASS

The school-wide minimum expectation is that all students must be in their classrooms as the bell begins to ring. Consequences for tardiness to class are:

- 4th Tardy - Saturday School
- 7th Tardy - Saturday School
- 10th Tardy - 2 days ISS

TELEPHONE MESSAGES & OTHER DELIVERIES

Classes will not be interrupted for messages or deliveries (except verified emergencies). The school cannot guarantee receipt of non-emergency messages. Deliveries for students on special occasions may be picked up at the Main Office after school. Efforts will be made to ensure delivery; however, NGA staff is not responsible for items not delivered. Items delivered to the school are subject to administrative discretion as to the school appropriateness. No glass or balloons are allowed in schools or on buses at any time. **Food deliveries to school are accepted only by parent/guardian or family member. Restaurant deliveries are not accepted. All food should be delivered for student pick up before their designated lunch period, otherwise the student may not be allowed to pick up delivery until the end of the school day.**

TEXTBOOKS

The Pike County Board of Education has made a financial commitment to provide each student a textbook and other required materials to complete course requirements. These materials will be checked out directly to each student. It is the responsibility of each student to keep track of these materials (school lockers are available) and maintain them in good condition. The school will charge fines for damage and replacement costs (cost + 10%). The average cost of a text book is \$75.00. Please take the necessary steps to ensure the proper care of these items. Students are responsible for all issued textbooks regardless of theft or other circumstances where damage to the book is incurred. Please follow these procedures regarding books:

1. Textbooks will be issued electronically to each student through the Media Center. The name of the student to whom the book is issued should be clearly written in the appropriate place in ink.
2. Do not write in your textbooks (other than your name).
3. If a book is damaged or the bar code or student name is altered; the student will be obligated to pay for the book.
4. No textbooks or instructional materials will be reissued until payment is received for the item(s).
5. Textbooks that are lost and found will be returned to the Main Office.

TRANSCRIPTS

When applying to colleges/employment, a copy of your transcript (record of your grades) is usually required. Transcripts are provided at no charge for current students. Please allow 48 hours for all transcript requests.

VENDING MACHINES

Use of vending machines is at your own risk. Ninth Grade Academy does not issue refunds of product or money. Any form of abuse to these

machines will result in disciplinary action as well as repayment of damages incurred to the machine by the student. It is not the responsibility of the school to provide change.

VISITORS

Ninth Grade Academy is equipped to provide only for its own students, not those from other schools/communities. Friends or relatives not in school, and other non-students will not be allowed to visit during school hours. Adults from various organizations are allowed at the discretion of the administration. Parents are always welcome. Students are expected to be courteous to parents and special guests who are on campus. **All visitors are required by law to register in the Main Office and will be issued a visitor badge to be worn while on campus. Persons cited for trespassing will be prosecuted to the fullest extent of the law.**

WITHDRAWING FROM SCHOOL

Any student wishing to withdraw from school must have a conference with his/her guidance counselor who will explain the withdrawal procedure and obtain parental approval and secure parent signature.

WORK PERMITS

Employment certificates for minors between the ages of 15 and 18 may be obtained from the Main Office. **Students should expect to wait 48 hours for completion.** NGA staff cannot honor "on demand" requests. This information must be entered on State Department websites.

YEARBOOK

NGA students appear in The PCHS Yearbook, The Cutlass, published by Herff/Jones and produced by the PCHS Yearbook Staff. Copies are purchased through the faculty sponsor. Students will be held accountable for any behavior in photos and in print in this publication. The Yearbook is created by students for students; therefore PCHS makes no guarantees in regards to the content of the Yearbook.

Please note that the principal reserves the right to amend any provision in these guidelines which he/she deems to be in the best interest of the educational process.

Any updates or changes to this handbook can be viewed on our website at

www.pike.k12.ga.us.

School Calendar

2021-22
